

Healing Oils of the Bible

There are nearly 300 references to essential oils in the Bible. Essential oils were highly valued in ancient times, often more than gold or jewels. They are just as highly valued today for their ability to naturally and powerfully correct physical, as well as emotional and spiritual, conditions.

Savor and enjoy the beautiful fragrances and intriguing histories of these precious pure essential oils, learn how they were used 3,000 years ago, and learn how to use these oils today to enhance your life today. This workshop explores the twelve most significant oils found in the Bible: **sandalwood, cassia, cedarwood, cypress, frankincense, galbanum, hyssop, myrrh, myrtle, onycha** (pronounced oh-nigh-kah), **Rose of Sharon,** and **spikenard.**

This is an aromatherapy session for the soul!
